

LARA COSMETIC

PRODUCT CATALOG

LARA COSMETIC

About Lara Cosmetics,

Since 2010, Lara has been active in cosmetics, biocidal and medical device product groups.

We work with GMP (Good Manufacturing Practice) rules in our Turkey production facilities located in 10.000 m² closed area with our experienced and expert staff. We export to about 35 countries.

Our products are registered with the Ministry of Health. In addition, since 2013 we have been registered with CPNP (Cosmetic Product Notification Portal). We can export to Europe.

Our company has ISO 9001: 2015 and ISO 22716 certificates.

We are manufacturing; Baby wet wipes, baby shampoo, liquid soap, nail polish remover, shower gel, shampoo, disc cotton, cotton swab, toilet paper, diapers, baby diapers, make up remover wipes, genital hygienic intimate wet wipes, air freshener, shaving foam, furniture polish, deodorant body spray, electrical plug-in refill, lamed perineal region antibacterial, lamed hair wash cap antibacterial, lamed wet bath pouch antibacterial.
